

Annapolis Area Christian School

Introduction

Annapolis Area Christian School (AACs) is an independent, Christian, college preparatory school with competitive athletics and outstanding fine arts in theatrical, musical, choral and visual arts. AACs partners with families in education that encourages a vital love for God, a commitment to academic excellence, and a dedication to service. We engage students in an education of excellence enabling them to impact the world through a growing relationship with Jesus Christ. The word “engage” is important to us at AACs. For maximum learning to take place, students must be engaged. We believe that by integrating discovery, imagination, creative problem solving, and relevant project based learning, our students are more engaged. We hire excellent faculty who love to learn and who help instill that love in our students. Annapolis Area Christian School admits students from homes where at least one parent has a personal faith in Jesus Christ and is active in a Bible-based church. Upper School technology courses include: Alice and Java Programming, Foundations in Technology, Introductory Engineering and Personal Finance.
