

Marist High School

Introduction

Marist High School is a private Catholic, coeducational, accredited four-year college preparatory school . Although the school was founded in 1954, the building is modern and spacious. It is located directly west of New York City and reflects a broad ethnic and economic diversity. Marist High School offers three academic tracks: Advanced Placement, Honors, and College Preparatory. A Study Skills Program is integrated into the freshman curriculum and a Writing Program is incorporated into the sophomore year. SAT prep is integrated into all year levels. An after-school program is available for English help. Electives are offered in a variety of departments including art, music, science, technology, and social studies. A Virtual High School program provides more than 200 additional electives through on-line learning and Seniors have the option of choosing online college courses. Champagnat Scholars is a unique accelerated program for gifted and talented students. Marist High School attempts to offer a program of extracurricular activities which is diverse enough to interest all students. Because participation is an enriching experience, all students are required to join at least one activity per year. A monthly Activity Period is scheduled during the school day to enable all Marist students to enjoy extracurricular activities.
